PROFESSIONAL SUMMARY

Computer Science and Engineering student with a strong foundation in **frontend web development, programming, and problem-solving**. Skilled in **HTML5, CSS3, JavaScript, React.js, C, and Java**, with hands-on experience developing web-based projects and user-focused applications. Active member of the **Google Developer Group (GDG)** and participant in multiple hackathons and developer events. Seeking a **Frontend Developer Internship** to apply technical skills, contribute to real-world projects, and grow as a software developer.

TECHNICAL SKILLS

Programming Languages: C, Java, JavaScript

Frontend Development: HTML5, CSS3, React.js

Web Development: Responsive Web Development, User Interface Development, Frontend Development

Tools & Technologies: Git, GitHub, Canva

Core Skills: Problem Solving, Analytical Thinking, UI Development

PROJECTS

BU Campus Connect

- Developed a campus-focused web platform for **managing and discovering student clubs and activities**.
- Implemented features that enable students to **discover clubs, join activities, and receive notifications**.
- Designed user-focused functionality to improve student engagement with campus organizations.
- Built the project with a focus on **accessible user interaction and organized campus information**.

AgriTech

- Developed an **AI-based assistant for farmers** to provide accessible guidance related to agriculture.
- Designed functionality for providing information about **crops, soil conditions, local market prices, and weather**.
- Focused on delivering **data-driven agricultural insights** to support informed decision-making.
- Designed the solution with accessibility and practical usability for farmers as key considerations.

EXPERIENCE & COMMUNITY

Google Developer Group (GDG) — Community Member

- Active member of the **Google Developer Group community**.
- Participated in learning and development activities focused on **web technologies and software development**.
- Engaged with developer-focused activities to strengthen technical knowledge and practical development skills.

ACHIEVEMENTS & HACKATHONS

- **Winner** — GDG Hackathon, Bundelkhand University
- **Participant** — Hack4Delhi, Unstop Holiday Fest
- **Participant** — Hack with UP CU 2025
- **Participant** — Google Cloud Agentic AI Day
- **Participant** — India Innovates 2026

EDUCATION

Bachelor of Technology (B.Tech) — Computer Science and Engineering

Institute of Engineering and Technology, Bundelkhand University, Jhansi

Class XII — 2023

Lucknow Model Public Inter College

Class X — 2021

Lucknow Model Public Inter College
